

PRIORITIZING SELF-CARE

When we have a lot on our plates or we are facing mental health challenges, it can feel easy to push our own needs to the side. However, making time for ourselves is essential to our overall well-being. Use this worksheet to help you better understand what is holding you back from taking time for yourself and your needs.

What are some things that would make you feel better, but you cannot seem to do?

Write out some thoughts and expectations that are preventing you from doing the self-care that you need. Don't worry about whether these thoughts or expectations are true. Instead, write down anything that comes to mind.
